Remark Holdings Amends Financing Agreement

May 1, 2018

LAS VEGAS, May 1, 2018 /PRNewswire/ -- Remark Holdings, Inc. (NASDAQ: MARK), a diversified global technology company focused on providing artificial intelligence ("AI") solutions, announced that it has entered into an amended financing agreement with its lenders that extends the maturity date for the majority of the term loan to September 30, 2020, at a reduced interest rate of three-month LIBOR plus 8.5%. The amended agreement provides the company with additional flexibility to develop its business, especially in Asia, by increasing the amount that the company can invest in its non-U.S. subsidiaries.

"We support Remark management's vision in building the company," said Kevin Griffin, the CEO of MGG Investment Group LP. "We have been pleased with the way in which Remark has executed its vision with respect to the acquisition and improvement of Vegas.com, and we look forward to them achieving similar success in executing their artificial intelligence technology business strategy."

The company's CEO, Kai-Shing Tao, stated, "We obviously have a strong belief in the AI technology products we are developing, and we want to ensure that we are in the best position to continue that development. MGG's belief in our vision will allow us to do just that—remain on the cutting edge of AI development."
