Risk Factors

Investing in our common stock involves a high degree of risk. See “Risk Factors” beginning on page 4 for a discussion of information that should be considered before investing in our common stock.

RISK FACTORS

Investing in our common stock involves a high degree of risk. You should carefully consider the following risk factors, as well as those set forth in our most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission, as amended, which are incorporated by reference into this prospectus, as well as the other information set forth in this prospectus and the documents incorporated by reference herein and annexed hereto, before deciding whether to invest in our common stock. Additional risks and uncertainties that we are unaware of may become important factors that affect us. If any of these risks actually occur, our business, financial condition or operating results may suffer, the trading price of our common stock could decline, and you may lose all or part of your investment.

Risks Relating to Our Common Stock

Our stock price has fluctuated considerably and is likely to remain volatile, in part due to the limited market for our common stock.

From January 1, 2013, through August 12, 2014, the high and low sales prices for our common stock were \$9.11 and \$1.12, respectively. There is a limited public market for our common stock, and we cannot provide assurances that a more active trading market will develop. As a result of low trading volume in our common stock, the purchase or sale of a relatively small number of shares could result in significant share price fluctuations.

The concentration of our stock ownership may limit individual stockholder ability to influence corporate matters.

As of August 12, 2014, our Chairman and Chief Executive Officer, Kai-Shing Tao, may be deemed to beneficially own 5,685,899 shares, or 40.6% of our common stock, and InfoSpace LLC, a wholly-owned subsidiary of Blucora, Inc., beneficially owns 738,950 shares, or 6.0% of our outstanding common stock. The interests of these stockholders may not always coincide with the interests of other stockholders, and they may act in a manner that advances their best interests and not necessarily those of other stockholders, and might affect the prevailing market price for our securities.

If these stockholders act together, they may be able to exert significant control over our management and affairs requiring stockholder approval, including approval of significant corporate actions. This concentration of ownership may have the effect of delaying or preventing a change in control and might adversely affect the market price of our common stock.

Future sales or issuances of our common stock may cause the market price of our common stock to decline and dilute the holdings of existing stockholders.

Upon the effectiveness of this registration statement, the shares registered hereunder may be resold by the selling stockholders on the open market. If the selling stockholders decide to sell their shares, the prevailing market price for our common stock may decline.

In connection with our acquisition of our Hotelmobi subsidiary in May 2014, we issued 500,000 shares of common stock and warrants to purchase 1,000,000 shares of our common stock. We also issued 470,000 shares of common stock and a \$3.5 million convertible note that may be converted into 695,825 shares of common stock in private placements during 2014. We may issue additional shares of common stock as consideration for future acquisitions or in private placements. Such issuances would dilute the ownership of existing stockholders and may cause the market price of our common stock to decline.

A significant number of additional shares of our common stock may be issued upon the exercise or conversion of existing securities, which issuances would substantially dilute existing stockholders and may depress the market price of our common stock.

As of August 12, 2014, we had convertible notes convertible into 1,420,497 shares of common stock, options to purchase 1,877,860 shares of common stock and warrants to purchase 1,267,373 shares of common stock outstanding. The issuance of these shares of common stock would substantially dilute the proportionate ownership and voting power of existing stockholders, and their issuance, or the possibility of their issuance, may depress the market price of our common stock.

Provisions in our corporate charter documents and under Delaware law could make an acquisition of the Company more difficult, which acquisition may be beneficial to stockholders.

Provisions in our certificate of incorporation and by-laws, as well as provisions of the General Corporation Law of the State of Delaware (“DGCL”), may discourage, delay or prevent a merger, acquisition or other change in control of the Company, even if such a change in control would be beneficial to stockholders. These provisions include the following:

- only our Board of Directors may call special meetings of stockholders;
- our stockholders may take action only at a meeting and not by written consent; and
- we have authorized undesignated preferred stock, the terms of which may be established and shares of which may be issued without stockholder approval.

Additionally, Section 203 of the DGCL prohibits a person who owns in excess of 15% of our outstanding voting stock from merging or combining with us for a period of three years after the date of the transaction in which the person acquired in excess of 15% of our outstanding voting stock, unless the merger or combination is approved in a prescribed manner. We have not opted out of the restriction under Section 203, as permitted under DGCL.

Given these uncertainties, you should not place undue reliance on these forward-looking statements. These statements represent our estimates and assumptions only as of the date of this prospectus and, except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise after the date of this prospectus.

USE OF PROCEEDS

We are not selling any securities under this prospectus and will not receive any of the proceeds from the sale of shares of our common stock by the selling stockholders. However, a portion of the shares of common stock covered by this prospectus are issuable upon exercise of warrants and we may receive payment in cash upon the exercise of such warrants. We expect to use any net proceeds from the exercise of such warrants for general corporate purposes.

The selling stockholders will pay any underwriting discounts and commissions and any expenses incurred by the selling stockholders for brokerage, accounting, tax or legal services or any other expenses incurred by such selling stockholders in disposing of securities covered by this prospectus. We will bear the costs, fees and expenses incurred to effect the registration of securities covered by this prospectus, including all registration fees and filing fees, NASDAQ listing fees and fees and expenses of our counsel and our independent registered public accounting firm.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our common stock as of August 12, 2014, by:

- each person, or group of affiliated persons, known to us to beneficially own more than 5% of our outstanding common stock;
- each of our directors and named executive officers; and

The amounts and percentages of common stock beneficially owned are reported on the basis of regulations of the Securities and Exchange Commission (the “SEC”) governing the determination of beneficial ownership of securities. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are deemed to be outstanding for purposes of computing such person’s ownership percentage, but not for purposes of computing any other person’s percentage. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest. Except as otherwise indicated in these footnotes, each of the beneficial owners listed has, to our knowledge, sole voting and investment power with respect to the indicated shares of common stock.

PLAN OF DISTRIBUTION

The selling stockholders, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling shares of common stock or interests in shares of common stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of common stock or interests in shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted by applicable law.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering. Upon any exercise of the warrants by payment of cash, however, we will receive the exercise price of the warrants.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act, provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our common stock to be sold, the names of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify certain of the selling stockholders against certain liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with certain of the selling stockholders to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (i) such time as all of the shares covered by this prospectus have been disposed of or (ii) the date on which all of the shares may be sold without restriction pursuant to Rule 144 of the Securities Act.

DESCRIPTION OF CAPITAL STOCK

General

Our Second Restated Certificate of Incorporation, or Charter, authorizes us to issue up to 21,000,000 shares, including 20,000,000 shares of common stock, par value \$0.001 per share, and 1,000,000 shares of preferred stock, par value \$0.001 per share. As of August 12, 2014, there were 12,215,300 shares of common stock and no shares of preferred stock issued and outstanding.

The following descriptions are summaries of the material provisions and terms of our capital stock and are qualified by reference to our Charter and our Second Amended and Restated Bylaws, or Bylaws, each as amended to date.

Common Stock

Each share of common stock entitles its holder to one vote on all matters to be voted upon by the stockholders. Common stockholders are not entitled to cumulative voting with respect to the election of directors. Subject to the preferences of any outstanding shares of preferred stock, holders of common stock may receive ratably any dividends that our Board of Directors (our "Board") may declare out of funds legally available for that purpose. In the event of our liquidation, dissolution or winding up, the holders of common stock are entitled to share ratably in all assets remaining after payment of liabilities and liquidation preferences of any outstanding shares of preferred stock. The common stock has no preemptive rights, conversion rights or other subscription rights or redemption or sinking fund provisions.

Preferred Stock

Under our Charter, our Board is authorized generally without stockholder approval to issue shares of preferred stock in one or more series and, in connection with the creation of each such series, to fix the number of shares of such series and designate the powers, preferences and rights of such series, including dividend rights, redemption rights, liquidation preferences, sinking fund provisions, conversion rights and voting rights, any or all of which may be greater than the rights of the common stock.

Convertible Notes

On January 29, 2014 (the "January 2014 Note"), November 14, 2013 (the "November 2013 Note"), April 2, 2013 (the "April 2013 Note"), and November 23, 2012 (the "November 2012 Note"), the Company issued Senior Secured Convertible Promissory Notes to Digipac in the original principal amounts of \$3,500,000, \$2,500,000, \$4,000,000 and \$1,800,000, respectively, in exchange for cash equal to the respective original principal amounts. The January 2014 Note, November 2013 Note, April 2013 Note and November 2012 Note are collectively referred to herein as the "Digipac Notes".

The January 2014 Note and November 2013 Note bear interest at a rate of 6.67% per annum for the first year and 8.67% per annum thereafter, with interest payable quarterly and all unpaid principal and any accrued but unpaid interest due and payable on the second anniversary of issuance. At any time, Digipac may elect to convert all or any portion of the outstanding principal amount and accrued but unpaid interest under such notes into shares of common stock at a conversion price of \$5.03 per share for the January 2014 Note and \$3.75 per share for the November 2013 Note. The Company also may elect to convert all or any portion of the outstanding principal amount and accrued but unpaid interest under such notes into common stock at the applicable conversion price if the volume weighted average price of the common stock is equal to at least 150% of the applicable conversion price for at least 30 of the 40 trading days immediately prior to the date of the Company's election. Such notes also provide that the Company and Digipac will negotiate and enter into a registration rights agreement providing Digipac with demand and piggyback registration rights with respect to the shares of common stock underlying such notes. The Company may prepay all or a portion of such notes at any time upon at least 15 days' prior written notice to Digipac.

[Table of Contents](#)

The April 2013 Note bore interest at a rate of 6.67% per annum for the first year and 8.67% per annum thereafter, and the November 2012 Note bore interest at a rate of 6.67% per annum. The outstanding principal amount and accrued but unpaid interest under the April 2013 Note and the November 2012 Note were convertible into common stock at a conversion price of \$2.00 per share for the April 2013 Note and \$1.30 per share for the November 2012 Note. On November 12, 2013, Digipac converted the \$4,000,000 principal amount and \$164,466 accrued but unpaid interest outstanding under the April 2013 Note into 2,082,233 shares of common stock, and converted the \$1,800,000 principal amount and \$116,771 accrued but unpaid interest outstanding under the November 2012 Note into 1,474,439 shares of common stock.

In connection with the issuance of the November 2012 Note, the Company and Digipac entered into a Security Agreement dated as of November 23, 2012 (the "Security Agreement") to secure the Company's obligations under such note. The Security Agreement provides that the Company's obligations are secured by all assets of the Company other than the shares of common stock of Sharecare, Inc. owned by the Company. The Company and Digipac subsequently entered into amendments to the Security Agreement in connection with the issuances of the April 2013 Note, the November 2013 Note and the January 2014 Note to include the Company's obligations under such notes as obligations secured by the Security Agreement.

We have not opted out of the restriction under Section 203, as permitted under DGCL.

Item 14. Indemnification of Directors and Officers.

Our Charter provides that, to the fullest extent permitted by the DGCL, our directors shall not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. Each of our Charter and Bylaws also provide as follows:

(a) The Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Company) by reason of the fact that the person is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in, or not opposed to, the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

(b) The Company shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Company and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Company unless and only to the extent that the Court of Chancery of the State of Delaware or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

(c) To the extent that a present or former director or officer of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in sections (a) and (b) above, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

(d) Any indemnification under sections (a) and (b) above (unless ordered by a court) shall be made by the Company only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in sections (a) and (b) above. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the stockholders of the Company.

We have obtained liability insurance covering our directors and executive officers for claims asserted against them or incurred by them in such capacity.

* Certain schedules and exhibits to these agreements have been omitted in accordance with item 601(b)(2) of Regulation S-K. A copy of any omitted schedule and/or exhibit will be furnished supplementally to the SEC upon request.

** Executive Compensation Arrangement pursuant to 601(b)(10)(iii)(A) of Regulation S-K.

(1) Previously filed.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) under the Securities Act if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(5) That, for the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
