**Item 1.01. Entry into a Material Definitive Agreement.**

On November 17, 2014, Remark Media, Inc. (the “Company” or “Remark”) entered into a Stock Purchase Agreement (the “Purchase Agreement”) with Discover Growth Fund, a Cayman Islands exempted mutual fund (the “Fund” or “Discover”). Pursuant to the Purchase Agreement, the Company agreed to issue and sell to Discover 250 shares of a new class of Series A Preferred Stock of the Company (the “Series A Preferred Stock”), convertible into shares of the Company’s common stock (the “Common Stock”) at a fixed conversion price of \$6.50 per share (the “Conversion Price”), for a total purchase price of \$2,500,000.00, subject to the satisfaction of certain closing conditions. These closing conditions include conditions customary for transactions of this type as well as (i) approval by the Company’s stockholders of the Purchase Agreement in accordance with the requirements of NASDAQ Listing Rule 5635(d) and (ii) the staff of the Securities and Exchange Commission (the “SEC”) indicating that it is willing to declare effective a registration statement registering the shares of Common Stock issuable under the terms of the Series A Preferred Stock. The Purchase Agreement will terminate automatically if the closing has not occurred on or before February 15, 2015. Series A Preferred Stock purchased by Discover will be non-transferable.

The terms of the Series A Preferred Stock are set forth in a Certificate of Designations in the form attached as an exhibit to the Purchase Agreement (the “Certificate of Designations”), to be filed with the Secretary of State of the State of Delaware prior to the closing. A summary of the material terms of the Series A Preferred Stock is set forth below.

*Designation and Ranking.* The Company has designated 1,000 shares of Series A Preferred Stock. The Series A Preferred Stock will rank (i) senior with respect to dividends to the Common Stock, (ii) pari passu with respect to rights upon liquidation with the Common Stock and (iii) junior to all existing and future indebtedness.

*Voting.* The Series A Preferred Stock will not have any voting rights, including with respect to the election of directors, except as required by law; provided, however, the Company will not, without the affirmative approval of the holders of a majority of the shares of the Series A Preferred Stock then outstanding (voting separately as one class), (i) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock or alter or amend the Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series A Preferred Stock, (iii) amend its certificate of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series A Preferred Stock or (v) enter into any agreement with respect to the foregoing.

*Dividends.* From the date of issuance, each share of Series A Preferred Stock will accrue dividends at a rate of 8.0% per annum (the “Dividend Rate”), subject to adjustment as discussed below, on its face value of \$10,000 (the “Face Value”), payable upon conversion or redemption of such share and when, as and if otherwise declared by the Company’s Board of Directors. Dividends and any Embedded Derivative Liability (as defined below) are payable, at the Company’s sole and absolute discretion, either in cash or in shares of Common Stock valued at 80.0% of the applicable market price less \$0.05 per share. The applicable market price of the Common Stock for purposes of the foregoing is (i) the volume weighted average price of the Common Stock for the period commencing 30 days before the conversion or redemption of the Series A Preferred Stock or other applicable event and ending 90 days after the later of such date and the holder’s receipt of all applicable shares of Common Stock from such conversion, redemption or payment, not to exceed (ii) the average of the individual daily volume weighted average prices of the Common Stock for any five trading days during such period, selected by the holder in its sole and absolute discretion.

---

*Liquidation Rights.* Upon the Company's liquidation, dissolution or winding up, holders of Series A Preferred Stock will be entitled to payment of the Face Value plus any accrued but unpaid dividends with respect to such shares.

*Company Redemption for Cash.* The Company will have the right, in its sole and absolute discretion, to redeem for cash all or any portion of the shares of Series A Preferred Stock then outstanding by paying the holder the following with respect to such shares: (i) if the redemption takes place on or after the five-year anniversary of issuance (the "Dividend Maturity Date"), the Face Value plus any accrued but unpaid dividends; (ii) if the redemption takes place prior to the Dividend Maturity Date, at an early redemption price equal to the Face Value plus any Embedded Derivative Liability minus any dividends paid; or (iii) if the price of the Common Stock falls below \$4.00 and the redemption is made within 10 days thereafter, 150% of the Face Value. The "Embedded Derivative Liability" for each share of Series A Preferred Stock means the Face Value multiplied by the product of (i) the applicable Dividend Rate and (ii) the number of whole years between the issuance date and the Dividend Maturity Date, i.e. five years.

*Credit Risk Adjustment.* The Dividend Rate will adjust upward by an amount equal to a defined credit spread adjustment of 98.45 basis points for each amount, if any, equal to an adjustment factor of \$0.20 that a measuring metric, the applicable market price of the Common Stock, falls below a minimum triggering level of \$5.50 per share of Common Stock. The Dividend Rate will permanently adjust downward by an amount equal to a rate decrease adjustment of 3.0% for each amount, if any, equal to a rate factor of \$1.00 that the measuring metric rises above a maximum triggering level of \$8.50 per share of Common Stock for at least 30 consecutive trading days, but will not go below zero. The applicable market price of the Common Stock for purposes of the foregoing is determined in the same manner as set forth in the Dividends section above.

*Conversion into Common Stock.* Each share of Series A Preferred Stock will be convertible into such number of shares of Common Stock equal to the Face Value divided by the Conversion Price. The Fund may convert its shares of Series A Preferred Stock at any time, and the Company may effect a conversion if the closing price of the Common Stock exceeds 300% of the Conversion Price for any 20 consecutive trading days, subject at all times to the Issuance Limitation (as defined below) and certain other conditions set forth in the Certificate of Designations.

*Issuance Limitation.* At no time will the Company issue shares of Common Stock to a holder of Series A Preferred Stock pursuant to the Certificate of Designations (whether upon conversion of the Series A Preferred Stock or payment of dividends or any Embedded Derivative Liability in Common Stock) if the number of shares of Common Stock to be issued, when aggregated with all other shares of Common Stock then beneficially (or deemed beneficially) owned by such holder, would result in such holder owning more than 9.99% of the Common Stock then outstanding (the "Issuance Limitation").

Under the Purchase Agreement, Discover also agreed that so long as it or any of its affiliates holds any Series A Preferred Stock or Common Stock underlying such shares, neither Discover nor any affiliate will: (i) vote any shares of Common Stock owned or controlled by it, sign or solicit any proxies, or seek to advise or influence any person with respect to any voting securities of Company; or (ii) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of the Company, alone or together with any other person, which would result in beneficially owning or controlling more than 9.99% of the total outstanding Common Stock or other voting securities of the Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries, (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries, (d) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of the Company, (f) any other material change in the Company's business or corporate structure, (g) changes in the Company's charter or bylaws or other actions that may impede the acquisition of control of the Company by any person, (h) a class of securities of the Company being delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act of 1933, as amended (the "Securities Act"), or (j) any action, intention, plan or arrangement similar to any of those enumerated above.

---

Under the Purchase Agreement, Discover further agreed that so long as it or any of its affiliates holds any Series A Preferred Stock or Common Stock underlying such shares, neither Discover nor any affiliate will engage in or effect, directly or indirectly, any short sale of Common Stock, including but not limited to, through an investment in any derivative instrument having the same effect.

The Purchase Agreement also contains representations, warranties and covenants customary for transactions of this type.

In connection with the Purchase Agreement, the Company also entered into a Registration Rights Agreement with Discover (the "Registration Rights Agreement"), providing that the Company will file with the SEC a Registration Statement on Form S-1 covering the resale by Discover of (x) up to 384,616 shares of Common Stock issuable upon conversion or redemption of the Series A Preferred Stock to be sold under the Purchase Agreement and (y) up to 4,000,000 shares of Common Stock that may be issued, at the Company's sole and absolute discretion, in payment of dividends or Embedded Derivative Liability with respect to such shares of Series A Preferred Stock, and maintain the effectiveness of such registration statement until all shares have been resold or may be resold pursuant to Rule 144 promulgated under the Securities Act without restriction.

The foregoing descriptions of the Purchase Agreement, the Certificate of Designations attached as an exhibit thereto, and the Registration Rights Agreement, are not complete and are qualified in their entirety by reference to the full text of the Purchase Agreement and the Registration Rights Agreement, which are filed herewith as Exhibit 10.1 and Exhibit 10.2, respectively, and incorporated herein by reference.

### III. **Representations and Warranties.**

A. **Representations Regarding Transaction.** Except as set forth under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Purchaser as of the Closing:

1. **Organization and Qualification.** Company and each Subsidiary is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, as applicable, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Neither Company nor any Subsidiary is in violation or default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents, except as would not reasonably be expected to result in a Material Adverse Effect. Each of Company and each Subsidiary is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not reasonably be expected to result in a Material Adverse Effect and no proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

2. **Authorization; Enforcement.** Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder or thereunder. The execution and delivery of each of the Transaction Documents by Company and the consummation by it of the transactions contemplated hereby or thereby have been duly authorized by all necessary action on the part of Company and no further consent or action is required by Company. Each of the Transaction Documents has been, or upon delivery will be, duly executed by Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of Company, enforceable against Company in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

3. **No Conflicts.** The execution, delivery and performance of the Transaction Documents by Company, the issuance and sale of the Shares and the consummation by Company of the other transactions contemplated thereby do not and will not (a) conflict with or violate any provision of Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (b) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of Company or any Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing Company or Subsidiary debt or otherwise) or other understanding to which Company or any Subsidiary is a party or by which any property or asset of Company or any Subsidiary is bound or affected, (c) conflict with or result in a violation of any material law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which Company or a Subsidiary is subject (including U.S. federal and state securities laws and regulations), or by which any property or asset of Company or a Subsidiary is bound or affected, or (d) conflict with or violate the terms of any material agreement by which Company or any Subsidiary is bound or to which any property or asset of Company or any Subsidiary is bound or affected; except in the case of each of clauses (b), (c) and (d), such as would not reasonably be expected to result in a Material Adverse Effect.

4. **Litigation.** There is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of Company, threatened against or affecting Company, any Subsidiary or any of their respective properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an "**Action**"), which would reasonably be expected to adversely affect or challenge the legality, validity or enforceability of any of the Transaction Documents or the issuance of any Shares hereunder. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by Company or any Subsidiary under the Exchange Act or the Act.

5. **Filings, Consents and Approvals.** Neither Company nor any Subsidiary is required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by Company of the Transaction Documents, other than required federal and state securities filings and such filings and approvals as are required to be made or obtained under the applicable Trading Market rules in connection with the transactions contemplated hereby, each of which has been, or if not yet required to be filed will be, timely filed.

6. **Issuance of Shares.** The Shares are duly authorized and, when issued and paid for in accordance with the applicable Transaction Documents, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens. Company has reserved and will continue to reserve from its duly authorized capital stock sufficient shares of its Common Stock for issuance pursuant to the Transaction Documents.

7. **Disclosure; Non-Public Information.** Company will file a current report on Form 8-K describing the material terms and conditions of this Agreement no later than 8:30 am Eastern on the Trading Day following the Effective Date. Notwithstanding any other provision, except with respect to information that must be, and only to the extent that it actually is, timely publicly disclosed by Company pursuant to the foregoing sentence, neither Company nor any other Person acting on its behalf has provided Purchaser or its representatives, agents or attorneys with any information that constitutes or might constitute material, non-public information, including without limitation this Agreement and the Exhibits and Disclosure Schedules hereto. No information contained in the Disclosure Schedules constitutes material non-public information. There is no adverse material information regarding Company that has not been publicly disclosed prior to the Effective Date. Company understands and confirms that Purchaser will rely on the foregoing representations and covenants in effecting transactions in securities of Company. All disclosure provided to Purchaser regarding Company, its business and the transactions contemplated hereby, including without limitation the Disclosure Schedules, furnished by or on behalf of Company with respect to the representations and warranties made herein are true and correct in all material respects and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

8. **No Integrated Offering.** Neither Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering to be integrated with prior offerings by Company that cause a violation of the Act or any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Trading Market.

9. **Financial Condition.** Based on the financial condition of Company and its projected operating and capital requirements, effective as of the Effective Date, the Company will require additional capital to carry on its business as now conducted and as proposed to be conducted. Company does not intend to incur debts beyond its ability to pay such debts as they mature, taking into account the timing and amounts of cash to be payable on or in respect of its debt. The Public Reports set forth as of the dates thereof all outstanding secured and unsecured Indebtedness of Company or any Subsidiary, or for which Company or any Subsidiary has commitments, and any default with respect to any Indebtedness.

10. **Section 5 Compliance.** No representation or warranty or other statement made by Company in the Transaction Documents contains any untrue statement or omits to state a material fact necessary to make any of them, in light of the circumstances in which it was made, not misleading. Company is not aware of any facts or circumstances that would cause the transactions contemplated by the Transaction Documents, when consummated, to violate Section 5 of the Act or other federal or state securities laws or regulations.

11. **Investment Company.** Company is not, and is not an Affiliate of, and immediately after receipt of payment for the Preferred Shares, will not be or be an Affiliate of, an “investment company” within the meaning of the Investment Company Act of 1940, as amended. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act.

12. **No Bad Actor Disqualification.** Neither Company, any predecessor of Company, any affiliate of Company, any director, executive officer, other officer of Company participating in the offering, or any beneficial owner of 20% or more of Company’s outstanding voting equity securities is subject to any bad actor disqualification as provided in Rule 506(d) of Regulation D.

13. **Offshore Transaction.** Company has not, and will not, engage in any directed selling efforts, as defined in Regulation S, in the United States in respect of any of the Preferred Shares. Company is offering and selling the Preferred Shares only in offshore transactions, in accordance with Regulation S. Company and its Affiliates have complied, and will comply, with the offering restrictions requirements of Regulation S. Company has only offered, and will only offer, the Preferred Shares to Purchaser.

**14. Acknowledgments Regarding Purchaser.** Company's decision to enter into this Agreement has been based solely on the independent evaluation of Company and its representatives, and Company acknowledges and agrees that:

a. Purchaser is not, has never been, and as a result of the transactions contemplated by the Transaction Documents will not become an officer, director, insider, control person, to Company's knowledge 10% or greater shareholder, or otherwise an affiliate of Company as defined under Rule 12b-2 of the Exchange Act;

b. Purchaser does not make or has not made any representations, warranties or agreements with respect to the Shares, this Agreement, or the transactions contemplated hereby other than those specifically set forth in **Section III.C** below; and

c. Purchaser is acting solely in the capacity of arm's length purchaser with respect to this Agreement and the transactions contemplated hereby; neither Purchaser nor any of its Affiliates or representatives is acting as a legal, financial, accounting, tax or other advisor to Company, or fiduciary of Company, or in any similar capacity; any statement made by Purchaser or any of its Affiliates, representatives or agents in connection with this Agreement and the transactions contemplated hereby is not advice or a recommendation, and is merely incidental to Purchaser's purchase of the Shares.

**B. Representations Regarding Company.** Except as set forth in any current or future Public Reports and attached exhibits, or under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Purchaser as of the Closing:

**1. Capitalization.** The capitalization of the Company as of the Effective Date is as described in the Disclosure Schedules. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents which has not been waived or satisfied. Except as a result of the purchase and sale of the Shares, there are no outstanding options, warrants, script rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exchangeable for, or giving any Person any right to subscribe for or acquire, any shares of Common Stock, or contracts, commitments, understandings or arrangements by which Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or securities convertible into or exercisable for shares of Common Stock. The issuance and sale of the Shares will not obligate Company to issue shares of Common Stock or other securities to any Person, other than Purchaser, and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange, or reset price under such securities. All of the outstanding shares of capital stock of Company are validly issued, fully paid and nonassessable, have been issued in material compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. No further approval or authorization of any stockholder, the Board of Directors of Company or others is required for the issuance and sale of the Shares. There are no stockholders agreements, voting agreements or other similar agreements with respect to Company's capital stock to which Company is a party or, to the knowledge of Company, between or among any of Company's stockholders.

2. **Subsidiaries.** All of the direct and indirect subsidiaries of Company are set forth in the Public Reports or the corresponding section of the Disclosure Schedules. Company owns, directly or indirectly, all of the capital stock or other equity interests of each Subsidiary, and all of such directly or indirectly owned capital stock or other equity interests are owned free and clear of any Liens. All the issued and outstanding shares of capital stock of each Subsidiary are duly authorized, validly issued, fully paid, non-assessable and free of preemptive and similar rights to subscribe for or purchase securities.

3. **Public Reports; Financial Statements.** Company has filed all required Public Reports for the one year preceding the Effective Date. As of their respective dates or as subsequently amended, the Public Reports complied in all material respects with the requirements of the Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, as applicable, and none of the Public Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of Company included in the Public Reports, as amended, comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with GAAP, except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of Company and its consolidated subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

4. **Material Changes.** Except as specifically disclosed in the current Public Reports, since the end of the most recent year for which an Annual Report on Form 10-K has been filed with the Commission, (a) there has been no event, occurrence or development that has had, or that would reasonably be expected to result in, a Material Adverse Effect, (b) Company has not incurred any liabilities (contingent or otherwise) other than (i) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice, and (ii) liabilities not required to be reflected in Company's financial statements pursuant to GAAP or required to be disclosed in filings made with the Commission, (c) Company has not altered its method of accounting, (d) Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock, and (e) Company has not issued any equity securities to any officer, director or Affiliate, except pursuant to existing Company equity incentive plans. Company does not have pending before the Commission any request for confidential treatment of information.

5. **Litigation.** There is no Action pending or, to the knowledge of the Company, threatened, which would reasonably be expected to result in a Material Adverse Effect. Neither Company nor any Subsidiary, nor to the knowledge of Company any director or officer thereof, is or has been the subject of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. There has not been, and to the knowledge of Company, there is not pending or contemplated, any investigation by the Commission involving Company or any current or former director or officer of Company.

6. **Labor Relations.** No material labor dispute exists or, to the knowledge of Company, is imminent with respect to any of the employees of Company, which would reasonably be expected to result in a Material Adverse Effect.

7. **Compliance.** Neither Company nor any Subsidiary (a) is in material default under or in material violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by Company or any Subsidiary under), nor has Company or any Subsidiary received notice of a claim that it is in material default under or that it is in material violation of, any indenture, loan or credit agreement or any other similar agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (b) is in violation of any order of any court, arbitrator or governmental body, or (c) is or has been in violation of any statute, rule or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws applicable to its business, except in each case as would not reasonably be expected to have a Material Adverse Effect.

8. **Regulatory Permits.** Company and each Subsidiary possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as described in the Public Reports, except where the failure to possess such permits would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect (“**Material Permits**”), and neither Company nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any Material Permit.

9. **Title to Assets.** Company and each Subsidiary have good and marketable title in fee simple to all real property owned by them that is material to the business of Company and each Subsidiary and good and marketable title in all personal property owned by them that is material to the business of Company and each Subsidiary, in each case free and clear of all Liens, except for Liens that do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by Company and each Subsidiary and Liens for the payment of federal, state or other taxes, the payment of which is neither delinquent nor subject to penalties. Any real property and facilities held under lease by Company and each Subsidiary are held by them under valid, subsisting and enforceable leases of which Company and each Subsidiary are in compliance.

Neither Company nor any Subsidiary has received a written notice that the Intellectual Property Rights used by Company or any Subsidiary violates or infringes upon the rights of any Person. To the knowledge of Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights of Company or each Subsidiary.

To Company's knowledge, such insurance contracts and policies are accurate and complete in all material respects. Neither Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without an increase in cost that would constitute a Material Adverse Effect.

12. **Transactions With Affiliates and Employees.** Except as set forth in the Public Reports, none of the officers or directors of Company and, to the knowledge of Company, none of the employees of Company is presently a party to any transaction with Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, in each case in excess of \$120,000 other than (i) for payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred on behalf of Company and (iii) for other employee benefits, including stock option agreements under any equity incentive plan of Company.

13. **Sarbanes-Oxley; Internal Accounting Controls.** Company is in material compliance with all provisions of the Sarbanes-Oxley Act of 2002, which are applicable to it as of the date of the Closing. Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of Company's disclosure controls and procedures based on their evaluations as of the evaluation date. Since the date of the most recently filed periodic report under the Exchange Act, there have been no significant changes in Company's internal accounting controls or its disclosure controls and procedures or, to Company's knowledge, in other factors that could materially affect Company's internal accounting controls or its disclosure controls and procedures.

14. **Certain Fees.** No brokerage or finder's fees or commissions are or will be payable to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by this Agreement. Notwithstanding any other provision, Purchaser will have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this section that may be due in connection with the transactions contemplated by this Agreement or the other Transaction Documents.

15. **Registration Rights.** No Person has any right to cause Company to effect the registration under the Act of any securities of Company.

16. **Listing and Maintenance Requirements.** The Common Stock is registered pursuant to Section 12 of the Exchange Act, and Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor has Company received any notification that the Commission is contemplating terminating such registration. Except as disclosed in the Public Reports, Company has not, in the 12 months preceding the Effective Date, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that Company is not in compliance with the listing or maintenance requirements of such Trading Market. Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements.

17. **Application of Takeover Protections.** Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under Company's Certificate of Incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to Purchaser as a result of Purchaser and Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation Company's issuance of the Shares and Purchaser's ownership of the Shares.

18. **Tax Status.** Company and each of its Subsidiaries has made or filed all federal, state and foreign income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes). Company has not executed a waiver with respect to the statute of limitations relating to the assessment or collection of any foreign, federal, statute or local tax. None of Company's tax returns is presently being audited by any taxing authority. Company would not be classified as a PFIC for its most recently completed taxable year, and does not expect to be classified as a PFIC for its current taxable year.

19. **Foreign Corrupt Practices.** Neither Company, nor to the knowledge of Company, any agent or other person acting on behalf of Company, has (a) directly or indirectly, used any corrupt funds for unlawful contributions, gifts, entertainment or other unlawful expenses related to foreign or domestic political activity, (b) made any unlawful payment to foreign or domestic government officials or employees or to any foreign or domestic political parties or campaigns from corporate funds, (c) failed to disclose fully any contribution made by Company, or made by any person acting on its behalf of which Company is aware, which is in violation of law, or (d) violated in any material respect any provision of the Foreign Corrupt Practices Act of 1977, as amended.

20. **Accountants.** Company's accountants are set forth in the Public Reports and such accountants are an independent registered public accounting firm.

21. **No Disagreements with Accountants or Lawyers.** There are no material disagreements presently existing, or reasonably anticipated by Company to arise, between Company and the accountants or lawyers formerly or presently employed by Company.

C. **Representations and Warranties of Purchaser.** Purchaser hereby represents and warrants to Company as of the Closing as follows:

1. **Organization; Authority.** Purchaser is an entity validly existing and in good standing under the laws of the jurisdiction of its organization with full right, company power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations thereunder. The execution, delivery and performance by Purchaser of the transactions contemplated by this Agreement have been duly authorized by all necessary company or similar action on the part of Purchaser. Each Transaction Document to which it is a party has been, or will be, duly executed by Purchaser, and when delivered by Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of Purchaser, enforceable against it in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies, and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

2. **Purchaser Status.** At the time Purchaser was offered the Shares, it was, and at the Effective Date it is (a) an "accredited investor" as defined in Rule 501(a) under the Act; (b) not a registered broker-dealer, member of FINRA, or an affiliate thereof; and (c) not a U.S. Person, and is not acquiring the Shares for the account or beneficial ownership of any U.S. Person. Purchaser will not engage in hedging transactions with regard to the Shares unless in compliance with the Act, and will resell the Shares only pursuant to registration under the Act or an available exemption therefrom.

3. **Experience of Purchaser.** Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Shares, and has so evaluated the merits and risks of such investment. Purchaser is able to bear the economic risk of an investment in the Shares and, at the present time, is able to afford a complete loss of such investment.

4. **Ownership.** Purchaser is acquiring the Preferred Shares as principal for its own account, in the ordinary course of its business. Purchaser agrees to resell the Shares only in accordance with the provisions of Regulation S, pursuant to registration under the Act, or pursuant to an available exemption from registration. Purchaser agrees not to engage in hedging transactions with regard to the Shares unless in compliance with the Act.

5. **No Short Sales.** Neither Purchaser nor any Affiliate (a) holds any short position in, (b) has engaged in any Short Sales of, or (c) has participated in any hedging transaction or derivative instrument involving, the Common Stock prior to the Effective Date.

**IV. Securities and Other Provisions.**

**A. Purchaser Due Diligence.** Purchaser will have the right and opportunity to conduct customary due diligence with respect to any Registration Statement or Prospectus in which the name of Purchaser or any Affiliate of Purchaser appears.

**B. Furnishing of Information.** As long as Purchaser owns any Shares, Company covenants to timely file, or obtain extensions in respect thereof and file within the applicable grace period, all reports required to be filed by Company after the Effective Date pursuant to the Exchange Act or the alternative reporting guidelines of OTC Markets Group, Inc. or its successor. As long as Purchaser owns any Shares, if Company is not required to file reports pursuant to the Exchange Act, Company will prepare and furnish to Purchaser and make publicly available in accordance with Rule 144(c) such information as is required for Purchaser to sell its Common Shares under Rule 144. Company further covenants that, as long as Purchaser owns any Shares, Company will take such further action as Purchaser may reasonably request, all to the extent required from time to time to enable Purchaser to sell its Common Shares without registration under the Act within the limitation of the exemptions provided by Rule 144.

**C. Integration.** Company will not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security, as defined in Section 2 of the Act, that would be integrated with the offer or sale of the Shares to Purchaser for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

**D. Disclosure and Publicity.** Company will notify Purchaser prior to issuing any current report, press release, public statement or communication with respect to the transactions contemplated hereby.

**E. Shareholders Rights Plan.** No claim will be made or enforced by Company or, to the knowledge of Company, any other Person that Purchaser is an "Acquiring Person" under any shareholders rights plan or similar plan or arrangement in effect or hereafter adopted by Company, or that Purchaser could be deemed to trigger the provisions of any such plan or arrangement, in either such case, by virtue of receiving Shares under the Transaction Documents or under any other agreement between Company and Purchaser. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act of 1940, as amended.

**F. No Non-Public Information.** Company covenants and agrees that neither it nor any other Person acting on its behalf will, provide Purchaser or its agents or counsel with any information that Company believes or reasonably should believe constitutes material non-public information. On and after the Effective Date, neither Purchaser nor any Affiliate of Purchaser will have any duty of trust or confidence that is owed directly, indirectly, or derivatively, to Company or the stockholders of Company, or to any other Person who is the source of material non-public information regarding Company. Company understands and confirms that Purchaser will be relying on the foregoing in effecting transactions in securities of Company, including without limitation sales of the Shares.

**G. Indemnification of Purchaser.**

**1. Obligation to Indemnify.** Subject to the provisions of this **Section IV.G**, Company will indemnify and hold Purchaser, its Affiliates, and each of their directors, officers, shareholders, partners, employees, agents and attorneys, and any person who controls Purchaser within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, “**Purchaser Parties**” and each a “**Purchaser Party**”), harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, reasonable costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation (collectively, “**Losses**”) that any Purchaser Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by Company in this Agreement or in the other Transaction Documents, (b) any action instituted against any Purchaser Party by any stockholder of Company who is not an Affiliate of a Purchaser Party, with respect to any of the transactions contemplated by the Transaction Documents, (c) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, Prospectus, Prospectus Supplement, or any filing or public statement made by Company, or arising out of or based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; or (d) any Purchaser Party becoming involved in any capacity in any proceeding by or against any Person who is a stockholder of Company, as a result of Purchaser’s acquisition of the Shares under this Agreement; provided, however, that Company will not be obligated to indemnify any Purchaser Party for any Losses finally adjudicated to be caused solely by a false statement of material fact contained within written information provided by such Purchaser Party expressly for the purpose of including it in the applicable Registration Statement.

**2. Procedure for Indemnification.** If any action will be brought against a Purchaser Party in respect of which indemnity may be sought pursuant to this Agreement, such Purchaser Party will promptly notify Company in writing, and Company will have the right to assume the defense thereof with counsel of its own choosing. Purchaser Parties will have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel will be at the expense of Purchaser Parties except to the extent that (a) the employment thereof has been specifically authorized by Company in writing, (b) Company has failed after a reasonable period of time to assume such defense and to employ counsel or (c) in such action there is, in the reasonable opinion of such separate counsel, a material conflict with respect to the dispute in question on any material issue between the position of Company and the position of Purchaser Parties such that it would be inappropriate for one counsel to represent Company and Purchaser Parties. Company will not be liable to Purchaser Parties under this Agreement (i) for any settlement by a Purchaser Party effected without Company’s prior written consent, which will not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is either attributable to Purchaser’s breach of any of the representations, warranties, covenants or agreements made by Purchaser in this Agreement or in the other Transaction Documents. In no event will the Company be liable for the reasonable fees and expenses for more than one separate firm of attorneys (plus local counsel as applicable) to represent all Purchaser Parties.

3. Other than the liability of Purchaser to Company for uncured material breach of the express provisions of this Agreement, no Purchaser Party will have any liability to Company or any Person asserting claims on behalf of or in right of Company as a result of acquiring the Shares under this Agreement.

**H. Reservation of Shares.** Company will at all times maintain a reserve from its duly authorized Common Stock for issuance pursuant to the Transaction Documents authorized shares of Common Stock in an amount equal to thrice the number of shares sufficient to immediately issue all shares of Common Stock potentially issuable upon any conversion of the Preferred Shares at such time.

**I. Activity Restrictions.** For so long as Purchaser or any of its Affiliates holds any Shares, neither Purchaser nor any Affiliate will: (i) vote any shares of Common Stock owned or controlled by it, sign or solicit any proxies, or seek to advise or influence any Person with respect to any voting securities of Company; (ii) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of Company, alone or together with any other Person, which would result in beneficially owning or controlling more than 9.99% of the total outstanding Common Stock or other voting securities of Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Company or any of its Subsidiaries, (c) a sale or transfer of a material amount of assets of Company or any of its Subsidiaries, (d) any change in the present board of directors or management of Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of Company, (f) any other material change in Company's business or corporate structure, including but not limited to, if Company is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940, (g) changes in Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Company by any Person, (h) a class of securities of Company being delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (j) any action, intention, plan or arrangement similar to any of those enumerated above; or (iii) request Company or its directors, officers, employees, agents or representatives to amend or waive any provision of this section.

**J. No Shorting.** For so long as Purchaser holds any Shares, neither Purchaser nor any of its Affiliates will engage in or effect, directly or indirectly, any Short Sale of Common Stock, including but not limited to, through an investment in any derivative instrument having the same effect. There will be no restriction or limitation of any kind on Purchaser's right or ability to sell or transfer any or all of the Conversion Shares at any time, in its sole and absolute discretion. Company acknowledges that Purchaser's conversion of Preferred Shares and sale of Conversion Shares may result in substantial dilution. Purchaser may not sell, transfer or assign the Preferred Shares or any of its rights under this Agreement.

**K. Stockholder Vote.** Company will use its reasonable best efforts to obtain stockholder approval of this Agreement in accordance with the requirements of NASDAQ Listing Rule 5635(d) or a waiver from NASDAQ of Listing Rule 5635(d) as soon as practicable after the Effective Date (“Approval”).

**L. Conversion Limitations.** Purchaser may convert any or all of the Preferred Shares at any time after the Effective Date, from time to time, in its sole and absolute discretion; provided, however, that Purchaser will limit any single conversion to a maximum amount of 50 Preferred Shares, and will not convert more than an aggregate of 250 Preferred Shares in any calendar quarter. Company’s absolute obligation to issue Common Shares to Purchaser upon conversion of Preferred Shares is an independent covenant, and notwithstanding any provision other than the immediately preceding sentence, any breach or alleged breach of any provision of any Transaction Document by any Person will not excuse performance of Company’s obligations.

**M. Stock Splits.** If Company at any time on or after the Effective Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) or combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a greater or lesser number of shares, the share numbers and prices set forth in this Agreement, as in effect immediately prior to such subdivision or combination, will be proportionately reduced or increased, as applicable, effective at the close of business on the date the subdivision or combination becomes effective.

**N. Registration Statement.** Company will file with the Commission as promptly as practicable after the Effective Date a Registration Statement on Form S-1 (or, if the Company is then eligible, on Form S-3) registering the resale of all Common Shares, and will use its best efforts to cause such Registration Statement to be declared effective under the Act as promptly as is practicable, and to remain effective until all Common Shares have been resold by Purchaser or may be resold pursuant to Rule 144 without restriction, as set forth in the Registration Rights Agreement.

**O. Restrictive Legend.** The Shares have not been registered under the Act and may not be resold in the United States unless registered or an exemption from registration is available. Company is required to refuse to register any transfer of the Shares not made pursuant to registration under the Act or an available exemption from registration. Upon the issuance thereof, and only until such time as the same is no longer required under the applicable securities laws and regulations, the certificates representing any of the Shares will bear a legend in substantially the following form:

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY U.S. STATE SECURITIES LAWS, AND, UNLESS SO REGISTERED, MAY NOT BE OFFERED OR SOLD, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES OR TO U.S. PERSONS EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE ACT. IN ADDITION, HEDGING TRANSACTIONS INVOLVING THE SECURITIES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT.

Share certificates will be issued without such legend or at Purchaser's option issue electronic delivery at the applicable balance account at DTC, if either (i) the Shares are registered for resale under the Act, or (ii) Purchaser provides an opinion of its counsel to the effect that the Shares may be issued without restrictive legend.

**O. Exclusivity.** So long as Purchaser holds any Preferred Shares, Company will not, directly or indirectly, enter into, alter, amend, or effect any transaction, agreement, note, debenture, preferred stock, or other security convertible or exchangeable into Common Stock (1) substantially similar to the transactions contemplated by this Agreement, or (2) with any term or provision, including without limitation any fee, discount, conversion, exchange, exercise or other price, that may vary, or is subject to being changed or reset due to any aspect of the market for the Common Stock, including without limitation trading price, unless shares are restricted for at least 6 months after original issuance of the security.

**V. General Provisions.**

**A. Notice.** Unless a different time of day or method of delivery is specifically provided in the Transaction Documents, any and all notices or other communications or deliveries required or permitted to be provided hereunder will be in writing and will be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile or electronic mail prior to 5:00 p.m. Eastern time on a Trading Day and an electronic confirmation of delivery is received by the sender, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered later than 5:00 p.m. Eastern time or on a day that is not a Trading Day, (c) the next Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (d) upon actual receipt by the party to whom such notice is required to be given. The addresses for such notices and communications are such other address as may be designated in writing, in the same manner, by such Person.

**B. Amendments; Waivers.** No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by Company and Purchaser or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement will be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor will any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

**C. No Third-Party Beneficiaries.** This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person. Except as otherwise set forth in **Section IV.G**, a person who is not a party to this Agreement shall not have any rights to enforce any term of this Agreement, and this Agreement shall inure solely to the benefit of the parties hereto.

**D. Fees and Expenses.** Company has paid a flat rate documentation fee to Purchaser's counsel incurred in connection with drafting this Agreement and the other Transaction Documents. Except as otherwise provided in this Agreement, each party will pay the fees and expenses of its own advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of the Transaction Documents. Company acknowledges and agrees that Purchaser's counsel solely represents Purchaser, and does not represent Company or its interests in connection with the Transaction Documents or the transactions contemplated thereby. Company will pay all stamp and other taxes and duties, if any, levied in connection with the sale or issuance of the Shares to Purchaser.

**E. Severability.** If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement will not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, will incorporate such substitute provision in this Agreement.

**F. Replacement of Certificates.** If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, Company will issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution thereof, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. The applicants for a new certificate or instrument under such circumstances will also pay any reasonable third-party costs associated with the issuance of such replacement certificates.

**G. Governing Law.** All matters between the parties, including without limitation questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents will be governed by and construed and enforced in accordance with the laws of the Cayman Islands, without regard to the principles of conflicts of law that would require or permit the application of the laws of any other jurisdiction, except for corporation law matters applicable to Company which will be governed by the corporate law of its jurisdiction of formation. The parties hereby waive all rights to a trial by jury. In any action, arbitration or proceeding, including appeal, arising out of or relating to any of the Transaction Documents or otherwise involving the parties, the prevailing party will be awarded its reasonable attorneys' fees and other costs and expenses reasonably incurred in connection with the investigation, preparation, prosecution or defense of such action or proceeding.

**H. Arbitration.** Any dispute, controversy, claim or action of any kind arising out of, relating to, or in connection with this Agreement, or in any way involving Company and Purchaser or their respective Affiliates, will be resolved by final and binding arbitration in English before a retired judge at JAMS International ([www.jamsinternational.com](http://www.jamsinternational.com)), or its successor, in St. Thomas, U.S. Virgin Islands, pursuant to JAMS' most expedited and Streamlined Arbitration Rules and Procedures. Any interim or final award may be entered and enforced by any court of competent jurisdiction. The final award will include the prevailing party's reasonable arbitration, expert witness and attorney fees, costs and expenses.

**I. Remedies.** In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Purchaser and Company will be entitled to specific performance under the Transaction Documents, and injunctive relief to prevent any actual or threatened breach under the Transaction Documents, to the full extent permitted under federal and state securities laws.

**J. Payment Set Aside.** To the extent that Company makes a payment or payments to Purchaser pursuant to any Transaction Document or Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to Company, a trustee, receiver or any other person under any law, including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action, then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied will be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

**K. Headings.** The headings herein are for convenience only, do not constitute a part of this Agreement and will not be deemed to limit or affect any of the provisions hereof

**L. Time of the Essence.** Time is of the essence with respect to all provisions of this Agreement.

**M. Survival.** The representations and warranties contained herein will survive the Closing and the delivery of the Shares until all Preferred Shares issued to Purchaser have been converted or redeemed.

**N. Construction.** The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of the Transaction Documents or any amendments hereto. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. The undersigned, \_\_\_\_\_, hereby certifies that:

1. The undersigned is the Chief Executive Officer of Remark Media, Inc., a Delaware corporation (the “**Corporation**”);
2. The Corporation is authorized to issue 1,000,000 shares of preferred stock, of which none are currently designated or issued; and
3. The following resolutions were duly adopted by the Board of Directors:

WHEREAS, the Certificate of Incorporation of the Corporation provides for a class of its authorized stock known as preferred stock, comprised of 1,000,000 shares, \$0.001 par value per share (the “**Preferred Stock**”), issuable from time to time in one or more series;

WHEREAS, the Board of Directors of the Corporation is authorized to fix the dividend rights, dividend rate, voting rights, conversion rights, rights and terms of redemption and liquidation preferences of any wholly unissued series of Preferred Stock and the number of shares constituting any Series and the designation thereof, of any of them;

WHEREAS, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid and as set forth in this Certificate of Designations of Preferences, Rights and Limitations of Series A Preferred Stock, to designate the rights, preferences, restrictions and other matters relating to the Series A Preferred Stock, which will consist of up to 1,000 shares of the Preferred Stock which the Corporation has the authority to issue, as follows:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors does hereby provide for the issuance of a series of Preferred Stock for cash or exchange of other securities, rights or property and does hereby fix and determine the rights, preferences, restrictions and other matters relating to such series of Preferred Stock as follows:

**I. Terms of Preferred Stock.**

**A. Designation and Amount.** A series of Preferred Stock is hereby designated as the Corporation's Series A Preferred Stock, par value of \$0.001 per share (the "**Series A Preferred Stock**"), the number of shares of which so designated are 1,000 shares of Series A Preferred Stock; which Series A Preferred Stock will not be subject to increase without any consent of the holders of the Series A Preferred Stock (each a "**Holder**" and collectively, the "**Holders**") that may be required by applicable law.

**B. Ranking and Voting.**

**1. Ranking.** The Series A Preferred Stock will, with respect to dividend rights and rights upon liquidation, winding-up or dissolution, rank: (a) senior with respect to dividends with the Corporation's Common Stock, \$0.001 par value per share ("**Common Stock**"); (b) pari passu with respect to rights of liquidation with the Common Stock; (c) with respect to dividends and rights of liquidation as to any other series of the Preferred Stock, as set forth in the Certificate of Designations of Preferences, Rights and Limitations with respect to such Preferred Stock; and (d) junior to all existing and future indebtedness of the Corporation. **2. Voting.** Except as required by applicable law or as set forth herein, the holders of shares of Series A Preferred Stock will have no right to vote on any matters, questions or proceedings of this Corporation including, without limitation, the election of directors.

**C. Dividends.**

**1.** Commencing on the date of the issuance of any such shares of Series A Preferred Stock (each respectively an "**Issuance Date**"), each outstanding share of Series A Preferred Stock will accrue cumulative dividends ("**Dividends**"), at a rate equal to 8.0% per annum, subject to adjustment as provided in this Certificate of Designations ("**Dividend Rate**"), of the Face Value. Dividends will be payable with respect to any shares of Series A Preferred Stock upon any of the following: (a) upon redemption of such shares in accordance with **Section I.F**; (b) upon conversion of such shares in accordance with **Section I.G**; and (c) when, as and if otherwise declared by the board of directors of the Corporation. Any calculation of the amount of such Dividends accrued and payable pursuant to the provisions of this **Section I.C.** will be made based on a 365-day year, compounded annually.

**2.** Dividends, as well as any applicable Embedded Derivative Liability payable hereunder, will be paid: (a) in the Corporation's sole and absolute discretion, immediately in cash; or (b) to the extent not paid immediately in cash for any reason, in shares of Common Stock valued at (i) 80.0% of the volume weighted average price of the Common Stock for the applicable Measuring Period, not to exceed (ii) 80.0% of the average of the individual daily volume weighted average prices for any five Trading Days (which may be non-consecutive) during such period, selected by Holder in its sole and absolute discretion, less \$0.05 per share of Common Stock. All amounts that are required or permitted to be paid in cash pursuant to this Certificate of Designations will be paid by wire transfer of immediately available funds to an account designated by Holder.

3. So long as any shares of Series A Preferred Stock are outstanding, the Company will not repurchase shares of Common Stock other than as payment of the exercise or conversion price of a convertible security or payment of withholding tax, and no dividends or other distributions will be paid, declared or set apart with respect to any Common Stock, except for Purchase Rights.

**D. Protective Provision.**

1. So long as any shares of Series A Preferred Stock are outstanding, the Corporation will not, without the affirmative approval of the Holders of a majority of the shares of the Series A Preferred Stock then outstanding (voting separately as one class), (i) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock or alter or amend this Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series A Preferred Stock, (iii) amend its certificate of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series A Preferred Stock or (v) enter into any agreement with respect to the foregoing.

2. A “**Deemed Liquidation Event**” will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Corporation or a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the capital stock of the surviving or resulting corporation or if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation; or (b) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license or other disposition is to a wholly owned subsidiary of the Corporation.

3. The Corporation will not have the power to effect a Deemed Liquidation Event unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation will be allocated among the holders of capital stock of the Corporation in accordance with **Section I.E.**

**E. Liquidation.**

1. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, pari passu with any distribution or payment made to the holders of Preferred Stock and Common Stock by reason of their ownership thereof, the Holders of Series A Preferred Stock will be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders an amount with respect to each share of Series A Preferred Stock equal to \$10,000.00 (“**Face Value**”), plus any accrued but unpaid Dividends thereon (collectively with the Face Value, the “**Liquidation Value**”). If, upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the amounts payable with respect to the shares of Series A Preferred Stock are not paid in full, the holders of shares of Series A Preferred Stock will share equally and ratably with the holders of shares of Preferred Stock and Common Stock in any distribution of assets of the Corporation in proportion to the liquidation preference and an amount equal to all accumulated and unpaid Dividends, if any, to which each such holder is entitled.

2. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation will be insufficient to make payment in full to all Holders, then such assets will be distributed among the Holders at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

**F. Redemption for Cash.**

1. **Corporation’s Redemption Option.** The Corporation will have the right at any time, in its sole and absolute discretion, to redeem for cash all or any portion of the shares of Series A Preferred Stock then outstanding. After the Dividend Maturity Date, the Corporation may redeem paying Holder an amount per share equal to 100% of the Liquidation Value for the shares redeemed.

2. **Early Redemption.** Prior to the Dividend Maturity Date, the Corporation may redeem Series A Preferred Stock by paying Holder an amount per share (the “**Early Redemption Price**”) equal to the sum of the following: (a) 100% of the Face Value, plus (b) the Embedded Derivative Liability, minus (c) any Dividends that have been paid, with respect to the shares redeemed. Provided however, if the price of the Common Stock falls below \$4.00 on any Trading Day, within 10 days thereafter Company will have the right in its sole and absolute discretion to redeem Series A Preferred Stock by paying Holder an amount per share equal to 150% of the Face Value for the shares redeemed, in full satisfaction thereof (i.e., in lieu of payment of any Dividends or Embedded Derivative Liability for such shares).

**3. Credit Risk Adjustment.**

a. The Dividend Rate will adjust upward by an amount equal to the Credit Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric falls below the Minimum Triggering Level.

b. The Dividend Rate will permanently adjust downward by an amount equal to the Rate Decrease Adjustment for each amount, if any, equal to the Rate Factor that the Measuring Metric rises above the Maximum Triggering Level for at least 30 consecutive Trading Days; provided, however, that in no event will the Dividend Rate be below zero.

c. The adjusted Dividend Rate used for calculation of the Liquidation Value, Embedded Derivative Liability, Early Redemption Price or Dividend, as applicable, will be determined based upon the volume weighted average price of the Common Stock for the applicable Measuring Period, not to exceed the average of the individual daily volume weighted average prices for any five Trading Days (which may be non-consecutive) during such period, selected by Holder in its sole and absolute discretion.

4. **Mandatory Redemption.** If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or effect any Deemed Liquidation Event, the Corporation will, within three Trading Days of such determination and prior to effectuating any such action, redeem the Series A Preferred Stock for cash, at the Early Redemption Price set forth in **Section I.F.2** if the event is prior to the Dividend Maturity Date, or at the Liquidation Value if the event is on or after the Dividend Maturity Date.

5. **Mechanics of Redemption.** If the Corporation redeems any of the Holders' Series A Preferred Stock then outstanding, concurrently with payment the Corporation will deliver written notice to each Holder setting forth (a) the number of shares of Series A Preferred Stock that the Corporation is redeeming, (b) the applicable Dividend Rate, Liquidation Value and Early Redemption Price, and (c) the calculation of the amount paid. Upon receipt of payment in cash, each Holder will promptly submit to the Corporation such Holder's Series A Preferred Stock certificates.

**G. Conversion.**

**1. Mechanics of Conversion.**

a. One or more shares of the Series A Preferred Stock may be converted, in part or in whole, into shares of Common Stock, at any time or times after the Issuance Date, in the sole and absolute discretion of Holder or, subject to the terms and conditions hereof, the Corporation; (i) if at the option of Holder, by delivery of one or more written notices to the Corporation or its transfer agent (each, a "**Holder Conversion Notice**"), of the Holder's election to convert the Series A Preferred Stock; or (ii) if at the option of the Corporation, if the Equity Conditions are met, delivery of written notice to Holder (each, a "**Corporation Conversion Notice**" and, with the Holder Conversion Notice, each a "**Conversion Notice**"), of the Corporation's election to convert the Series A Preferred Stock. Each Conversion Notice will set forth the number of shares of Series A Preferred Stock being converted, the minimum number of Conversion Shares and the amount of Dividends and any applicable Embedded Derivative Liability due as of the date of the Conversion Notice (the "**Notice Date**"), and the calculation thereof.

b. Notwithstanding **Section I.G.1.c**, if the Corporation pays in cash no later than close of the business day after the Notice Date, time being of the essence, the full amount of Dividends and Embedded Derivative Liability due as of the Notice Date, no further amount will be due with respect to Dividends and Embedded Derivative Liability for the shares in the Conversion Notice.

c. As soon as practicable, and in any event by the Trading Day after receipt of a Delivery Notice, time being of the essence, the Corporation will do all of the following: (i) transmit the Delivery Notice by facsimile or electronic mail to the Holder, and to the Corporation's transfer agent (the "**Transfer Agent**") with instructions to comply with the Delivery Notice; (ii) either (A) if the Corporation is approved through The Depository Trust Corporation ("**DTC**"), authorize and instruct the credit by the Transfer Agent of such aggregate number of Conversion Shares to which Holder is then entitled, as set forth in the Delivery Notice, to Holder's or its designee's balance account with the DTC Fast Automated Securities Transfer (FAST) Program, through its Deposit/Withdrawal at Custodian (DWAC) system, or (B) only if the Corporation is not approved through DTC, issue and surrender to a common carrier for overnight delivery to the address as specified in the Delivery Notice a certificate bearing no restrictive legend, registered in the name of Holder or its designee, for the number of Conversion Shares to which Holder is then entitled, as set forth in the Delivery Notice; and (iii) at all times thereafter diligently take or cause to be taken all actions reasonably necessary to cause the Conversion Shares to be issued as soon as practicable.

d. If during the Measuring Period the Holder is entitled to receive additional Conversion Shares with regard to a Conversion Notice, Holder may at any time deliver one or more additional written notices to the Corporation or its transfer agent (each, an "**Additional Notice**" and with the Conversion Notice, each a "**Delivery Notice**") setting forth the additional number of Conversion Shares to be delivered, and the calculation thereof.

e. If the Corporation for any reason does not issue or cause to be issued to the Holder within 3 Trading Days after receipt of a Delivery Notice, the number of Conversion Shares to which the Holder is entitled as stated in the Delivery Notice, then, in addition to all other remedies available to the Holder, the Corporation will pay in cash to the Holder on each day after such 3rd Trading Day that the issuance of such Conversion Shares is not timely effected an amount equal to 2% of the product of (i) the aggregate number of Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (ii) the highest Closing Price of the Common Stock between the date on which the Corporation should have issued such shares to the Holder and the actual date of receipt by Holder.

f. All of the requirements of **Section I.F** and this **Section I.G** are each independent covenants, and any violation, alleged violation, breach or alleged breach of any provision of any agreement, by any party or any other person will not excuse full and timely performance of any of Company's obligations under these sections.

g. No fractional shares of Common Stock are to be issued upon conversion of Series A Preferred Stock, but rather the Corporation will issue to Holder scrip or warrants registered on the books of the Corporation (certificated or uncertificated) which will entitle Holder to receive a full share upon the surrender of such scrip or warrants aggregating a full share. The Holder will not be required to deliver the original certificates for the Series A Preferred Stock in order to effect a conversion hereunder. The Corporation will pay any and all taxes which may be payable with respect to the issuance and delivery of any Conversion Shares.

2. **Holder Conversion.** In the event of a conversion of any Series A Preferred Stock pursuant to a Holder Conversion Notice, the Corporation will (a) satisfy the payment of Dividends and Embedded Derivative Liability as provided in **Section I.C.2**, and (b) issue to the Holder of such Series A Preferred Stock a number of Conversion Shares equal to (i) the Face Value multiplied by (ii) the number of such Series A Preferred Stock subject to the Holder Conversion Notice divided by (iii) the applicable Conversion Price with respect to such Series A Preferred Stock; all in accordance with the procedures set forth in **Section I.G.1**.

3. **Corporation Conversion.** The Corporation will have the right to send the Holder a Corporation Conversion Notice on 20 days' notice in the event that (x) the Closing Price of the Common Stock exceeds 300% of the Series A Conversion Price for any 20 consecutive Trading Days and (y) the Equity Conditions are met as of the time such Corporation Conversion Notice is given. Upon any conversion of any Series A Preferred Stock pursuant to a Corporation Conversion Notice, the Corporation will (a) satisfy the payment of Dividends and Embedded Derivative Liability as provided in **Section I.C.2**, and (b) issue to the Holder of such Series A Preferred Stock a number of Conversion Shares equal to (i) the Face Value multiplied by (ii) the number of such Series A Preferred Stock subject to the Holder Conversion Notice divided by (iii) the applicable Conversion Price with respect to such Series A Preferred Stock; all in accordance with the procedures set forth in **Section I.G.1**.

4. **Stock Splits.** If the Corporation at any time on or after the filing of this Certificate of Designations subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such subdivision will be proportionately reduced and the number of shares of Common Stock issuable will be proportionately increased. If the Corporation at any time on or after such Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such combination will be proportionately increased and the number of Conversion Shares will be proportionately decreased. Any adjustment under this Section will become effective at the close of business on the date the subdivision or combination becomes effective.

5. **Rights.** In addition to any adjustments pursuant to **Section I.G.4**, if at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which Holder could have acquired if Holder had held the number of shares of Common Stock acquirable upon conversion of all Preferred Stock held by Holder immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

Re: Remark Media, Inc.

Ladies and Gentlemen:

In accordance with the Stock Purchase Agreement ("**Agreement**"), dated November 17, 2014, by and between Remark Media, Inc., a Delaware corporation ("**Company**"), and Discover Growth Fund, a Cayman Islands exempted mutual fund ("**Purchaser**"), pursuant to which Company may reserve, issue and deliver shares ("**Shares**") of Company's Common Stock ("**Common Stock**") upon conversion of shares of Series A Preferred Stock, this will serve as our irrevocable, absolute and unconditional instruction, authorization and direction to you to (a) immediately reserve 4,000,000 Shares for issuance to Purchaser, (b) upon receipt of written notice from Company or Purchaser, reserve any additional Shares requested to be reserved pursuant to the terms of the Agreement, and (c) whenever either Company or Purchaser issues a Delivery Notice, issue the Shares requested. Capitalized terms used herein without definition will have the respective meanings ascribed to them in the Agreement.

The shares will remain in the created reserve until the earlier of their issuance or such date as Purchaser and Company provide written instructions that the shares or any part of them may be taken out of the reserve and will no longer be subject to the terms of these instructions.

Upon your receipt of a copy of a Delivery Notice, you will use your best efforts to, as soon as reasonably practicable and in any event within three Trading Days following the date of receipt of the notice, either: (a) issue pursuant to the DTC Fast Automated Securities Transfer (FAST) Program, and credit such aggregate number of Shares to which Purchaser is entitled to Purchaser's or its designee's balance account with DTC through its Deposit Withdrawal At Custodian (DWAC) system, and notify Purchaser to cause its bank or broker to post the DWAC transaction; or (b) only if Company is not approved through DTC, issue and surrender to a common carrier for overnight delivery to the address as specified in the Delivery Notice a certificate registered in the name of Purchaser or its designee, for the number of Shares set forth in the notice (i) bearing no restrictive legend, or (ii) only if you receive written notice that the Registration Statement is no longer effective and Purchaser does not provide an opinion of its counsel to the effect that the Shares may be issued without restrictive legend, bearing a restrictive legend.

---

Company hereby confirms that the Shares should not be subject to any stop-transfer restrictions and will otherwise be freely transferable on the books and records of Company, and if the Shares are certificated, the certificates will not bear any legend restricting transfer of the Shares represented thereby.

Company hereby confirms that no instructions other than as contemplated herein will or may be given to you by Company with respect to the Shares. You are to comply promptly with any Delivery Notice or share reservation notice received from Purchaser, notwithstanding any contrary instructions from Company. Company will not replace you as Company's transfer agent, until a reputable registered transfer agent has agreed in writing to serve as Company's transfer agent and to be bound by all terms and conditions of this letter agreement. In the event that you resign as Company's transfer agent, Company will engage a suitable replacement reputable registered transfer agent that will agree to serve as transfer agent for Company and be bound by the terms and conditions of these irrevocable instructions as soon as practicable and in any event within three trading days. You may not disclose or transfer any files to any successor transfer agent until after Purchaser acknowledges in writing that a suitable successor transfer agent has agreed in writing to be bound by the terms and conditions of these instructions.

Company must keep its bill current with you. If Company is not current and is on suspension, Purchaser will have the right to pay Company's outstanding bill, in order for you to act upon these instructions. If the outstanding bill is not paid by Company or Purchaser, you have no obligation to act under instructions until your bill is paid.

Company and you hereby acknowledge and confirm that complying with the terms of these instructions does not and will not prohibit you from satisfying any and all fiduciary responsibilities and duties you may owe to Company.

Company will indemnify you and your officers, directors, principals, partners, agents and representatives, and hold each of them harmless from and against any and all loss, liability, damage, claim or expense (including the reasonable fees and disbursements of its attorneys) incurred by or asserted against you or any of them arising out of or in connection with the instructions set forth herein, the performance of your duties hereunder and otherwise in respect hereof, including the costs and expenses of defending yourself or themselves against any claim or liability hereunder, except that Company will not be liable hereunder as to matters in respect of which it is determined that you have acted with gross negligence or in bad faith. You will have no liability to Company in respect of this if such action was taken or omitted to be taken in good faith, and you will be entitled to rely in this regard on the advice of counsel.

Purchaser is intended to be and is a third party beneficiary hereof, and no amendment or modification to the instructions set forth herein may be made without the prior written consent of Purchaser. The above instructions cannot be revoked, cancelled or modified without prior written approval of Purchaser.

The Board of Directors of Company has approved the foregoing irrevocable instructions and does hereby extend Company's irrevocable agreement to indemnify your firm for all loss, liability or expense in carrying out the authority and direction herein contained on the terms herein set forth. You have not previously received contrary instructions from Company or its agents, nor are you aware of any facts or circumstances that would make the transaction improper or illegal under applicable laws or regulations.

## Exhibit 4

### Form of Legal Opinion

1. The Company is a corporation validly existing and in good standing under the laws of the State of Delaware.

2. The Company has the requisite corporate power and authority to execute, deliver and perform its obligations under the Transaction Documents, to sell and issue the Shares under the Purchase Agreement and to issue the Common Stock issuable upon conversion of the Shares pursuant to the Certificate of Designations (the “**Conversion Shares**”).

3. The Shares have been duly authorized by the Company, and upon issuance and delivery against payment therefor in accordance with the terms of the Purchase Agreement, the Shares will be validly issued, outstanding, fully paid and nonassessable. The Conversion Shares issuable upon conversion of the Shares have been duly authorized and reserved for issuance, and upon issuance and delivery upon conversion thereof in accordance with the terms of the Certificate of Designations, will be validly issued, outstanding, fully paid and nonassessable. The rights, preferences and privileges of the Shares are as stated in the Certificate of Designation. Such issuance of the Shares and the Conversion Shares will not be subject to any statutory or, to our knowledge, contractual preemptive rights of any stockholder of the Company.

4. The execution, delivery and performance of the Transaction Documents have been duly authorized by all necessary corporate action on the part of the Company, and the Transaction Documents have been duly executed and delivered by the Company.

5. Each Transaction Document constitutes a valid and binding agreement of the Company enforceable against the Company in accordance with its terms, except as enforcement may be limited by applicable bankruptcy, insolvency, reorganization, arrangement, moratorium or other similar laws affecting creditors’ rights, and subject to general equity principles and to limitations on availability of equitable relief, including specific performance.

6. The execution and delivery of the Transaction Documents by the Company does not, and the Company’s performance of its obligations thereunder will not (a) violate the Certificate of Incorporation or the Bylaws, each as in effect on the date hereof, (b) violate in any material respect any federal or state law, rule or regulation, or judgment, order or decree of any state or federal court or governmental or administrative authority, in each case that, to our knowledge, is applicable to the Company or its properties or assets (except to the extent such violation would not have a material adverse effect on the Company’s business, properties, assets, financial condition or results of operations or prevent the performance by the Company of any material obligation under the Transaction Documents), or (c) to our knowledge, require the authorization, consent, approval of or other action of, notice to or filing or qualification with, any state or federal governmental authority, except (i) as have been, or will be prior to the Closing, duly obtained or made, (ii) the filing of a Form D pursuant to Securities and Exchange Commission Regulation D, (iii) any filings which may be required under applicable federal securities, state securities or blue sky laws, (iv) the filing and effectiveness of the Registration Statement, or (v) the filing of the Proxy Statement, except to the extent failure to be so obtained or made would not have a material adverse effect on the Company’s business, properties, assets, financial condition or results of operations or its ability to consummate the transactions contemplated under the Transaction Documents.

---

7. To our knowledge, there is no claim, action, suit, proceeding, arbitration, investigation or inquiry, pending or threatened, before any court or governmental or administrative body or agency, or any private arbitration tribunal, against the Company that challenges the validity or enforceability of, or seeks to enjoin the performance of, the Transaction Documents.

8. The Company is not, and immediately after the consummation of the transactions contemplated by the Transaction Documents will not be, an investment company within the meaning of Investment Company Act of 1940, as amended.

9. The Registration Statement filed with the Commission, which registers the sale of the Shares to Purchaser is current and effective as of the date hereof.

In addition to the opinions above, nothing has come to our attention that has caused us to believe that the Registration Statement, as of its effective date, or the Prospectus Supplement, as of its date or the date of its letter (in each case, except as to the financial statements, schedules, notes, other financial and accounting data, and statistical data, included therein or derived therefrom, as to which we express no opinion or belief), contained any untrue statement of material fact, or failed to state a material fact necessary in order to make the facts stated therein, in light of the circumstances in which they were made, not misleading.

3 . Registration Procedures. In connection with the registration of any Registrable Securities, the Company shall, as soon as reasonably practicable:

(a) Prepare and file with the Commission such pre-effective and post-effective amendments and supplements to the Registration Statement and the Prospectus used in connection with the Registration Statement, and/or file such reports under the Exchange Act, as may be necessary to cause the Registration Statement to become effective, to keep the Registration Statement continuously effective during the Registration Period and not misleading, and as may otherwise be required or applicable under, and to comply with the provisions of, the Securities Act with respect to the disposition of all Registrable Securities covered by the Registration Statement during the Registration Period.

(b) Furnish to each Holder such number of copies of the Prospectus, and each amendment or supplement thereto, in conformity with the requirements of the Securities Act, and such other documents as the Holders may reasonably request in order to facilitate the disposition of Registrable Securities owned by it.

(d) Use its reasonable best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of, any order suspending the effectiveness of the Registration Statement, or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.

(e) If requested by any of the Holders, (i) incorporate in a Prospectus supplement or post-effective amendment such information as such Holders reasonably request be included therein regarding such Holders or the plan of distribution of the Registrable Securities and (ii) make all required filings of the Prospectus supplement or such post-effective amendment as soon as practicable after the Company has received notification of such matters to be incorporated in such Prospectus supplement or post-effective amendment; provided, however, that the Company shall not be required to take any action pursuant to this Section 3(e) that would violate applicable law.

(f) Upon the occurrence of any event contemplated by Section 3(e), prepare and deliver to the Holders any required supplement or amendment, including a post-effective amendment, to the Registration Statement or a supplement to the Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document, including such reports as may be required to be filed under the Exchange Act, so that, as thereafter delivered, the Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(g) Use its reasonable best efforts to cause all Registrable Securities the resale of which is registered under cover of the Registration Statement to be listed on the NASDAQ Capital Market or such other securities exchange or automated quotation system, if any, as is then the principal securities exchange or automated quotation system on which the Common Stock is then listed.

(h) Use its reasonable best efforts to cause all Registrable Securities registered by the Registration Statement to be registered or qualified under the securities or "blue sky" laws of such states as the Holders shall reasonably request; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or to subject itself to any material tax in any such jurisdiction where it is not then so subject.

(i) Cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing the Registrable Securities to be sold pursuant to the Registration Statement free of any restrictive legends and in such denominations and registered in such names as the Holders may reasonably request a reasonable period of time prior to sales of the Registrable Securities pursuant to the Registration Statement.

4 . Obligation to Furnish Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Agreement with respect to the Registrable Securities of a Holder that such Holder shall have furnished to the Company such information regarding it, the Registrable Securities held by it, and the intended method of disposition of such Registrable Securities as the Company shall reasonably request and as shall be required in connection with the action to be taken by the Company.

5 . Delay or Suspension of Registration Statement. Upon receipt of any notice from the Company to the Holders of the existence of any fact of the kind described in Section 3(c)(v), each Holder shall forthwith discontinue disposition of Registrable Securities until such Holder's receipt of copies of a supplemented or amended Prospectus contemplated by Section 3(f), or until it is advised in writing (the "Advice") by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Company, each Holder shall deliver to the Company (at the expense of the Company) all copies, other than permanent file copies then in each Holder's possession, of the Prospectus current at the time of receipt of such notice. In the event the Company shall give any such notice, the Registration Period shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 3(c) to and including the date when the Holders shall have received the copy of the supplemented or amended prospectus contemplated by Section 3(f) or the Advice.

6 . Expenses of Registration. All expenses incurred in connection with the registration pursuant to Section 2 (excluding any underwriters' discounts and commissions and fees and disbursements of counsel for the Holders), including, without limitation all registration and qualification fees, and fees and disbursements of counsel and accountants for the Company, shall be borne by the Company.

7. Indemnification.

(a) To the fullest extent permitted by law, the Company shall, and hereby does indemnify and hold harmless each Holder, each director, officer, partner and agent of each Holder, and each person, if any, who controls each Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act), against any losses, claims, damages or liabilities, joint or several, to which they may become subject under the Securities Act and applicable state securities laws insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, including any preliminary Prospectus or final Prospectus or any amendments or supplements thereto, arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances, or arise out of any violation by the Company of any rule or regulation promulgated under the Securities Act applicable to the Company and relating to action or inaction required of the Company in connection with any such registration; and shall reimburse each such person for any legal or other expenses reasonably incurred by him in connection with investigating or defending any such loss, claim, damage, liability or action. The indemnity agreement contained in this Section 7 shall not apply to amounts paid in settlement of any such loss, claim, damage, liability, or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld) nor shall the Company be liable to a Holder or controlling person for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon an untrue statement or an alleged untrue statement or omission or alleged omission made in connection with the Registration Statement, preliminary Prospectus, final Prospectus, or amendments or supplements thereto, in reliance upon and in conformity with information furnished by such Holder in writing for use in connection with such registration by or on behalf of such Holder or controlling person.

(b) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action or actual knowledge of a claim that would, if asserted, give rise to a claim for indemnity hereunder, such indemnified party shall, if a claim in respect thereof is to be made against any indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof or knowledge thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly notified, to assume the defense thereof with qualified counsel. The failure to notify an indemnifying party promptly of the commencement of any such action or of the knowledge of any such claim, if materially prejudicial to its ability to defend such action, shall relieve such indemnifying party of any liability to the indemnified party under this Section 7, but the omission so to notify the indemnifying party shall not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 7.

(c) If the indemnification provided for in this Section 7 is for any reason, other than pursuant to the terms thereof, held to be unavailable to an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions that resulted in such losses, claims, damages, liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact relates to information supplied by the indemnifying party or the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and each Holder agree that it would not be just and equitable if contribution pursuant to this Section 7(c) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to above in this Section 7(c). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 7(c) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. No party shall be liable for contribution with respect to any loss, claim, damage, liability, or action if such settlement is effected without the prior written consent of such party, which consent shall not be unreasonably withheld.

8 . Termination. This Agreement shall terminate upon expiration of the Registration Period, provided that the rights and obligations of the parties pursuant to Section 7 shall survive such termination.

9. Rule 144. During the Registration Period, the Company shall use its reasonable best efforts to file the reports required to be filed by it under the Exchange Act in a timely manner and, if at any time the Company is not required to file such reports, it shall, upon the request of any Holder, use its reasonable best efforts to make publicly available other information so long as is necessary to permit sales pursuant to Rule 144. The Company shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act pursuant to the exemption provided by Rule 144 under the Securities Act. Upon the request of any Holder, the Company shall deliver to the Holders a written statement as to whether it has complied with such information requirements.

10 . Remedies. In case any one or more of the covenants and/or agreements set forth in this Agreement shall have been breached by the Company or any of the Holders, the Holders or the Company (as the case may be) may proceed to protect and enforce its or their rights either by suit in equity and/or by action at law, including, but not limited to, an action for damages as a result of any such breach and/or an action for specific performance or injunctive relief with respect to any such covenant or agreement contained in this Agreement.

11. Notices. All notices, requests, demands or other communications provided for or permitted to be given pursuant to this Agreement shall be in writing and shall be deemed to have been duly given when delivered personally (which personal delivery shall include delivery by responsible overnight courier), or five days after being sent by registered or certified mail, return receipt requested, postage prepaid. All such notices, requests, demands or other communications to be given by or to the Holders shall be given by or to Seller. By giving to the other parties at least five days' written notice thereof, any party hereto shall have the right from time to time and at any time during the term of this Agreement to change its respective address and each party shall have the right to specify as its address any other address.

12. Grant of Other Registration Rights. From time to time, the Company may grant registration rights to any other holder or prospective holder of any of the capital stock of the Company.

13. Binding Agreement. This Agreement and each provision herein shall be binding upon and applicable to, and shall inure to the benefit of, the Company, the Seller and their permitted assigns and legal representatives.

14. Consents and Waivers. No consent or waiver, express or implied, by any party hereto of the breach, default or violation by any other party hereto of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach, default or violation of the same or any other obligations of such party hereunder. Failure on the part of any party hereto to complain of any act of any of the other parties or to declare any of the other parties hereto in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of his rights hereunder.

15. Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be determined in accordance with the provisions of the Stock Purchase Agreement.

16. Prior Agreements; Amendments. This Agreement supersedes any prior or contemporaneous understanding or agreement between the parties hereto respecting the subject matter hereof. There are no arrangements, understandings or agreements, oral or written, among such parties relating to the subject matter of this Agreement. No change or modification of this Agreement shall be valid or binding upon the parties hereto unless such change or modification or waiver shall be in writing and signed by the Company and by the Seller, and such change or modification shall be binding on all Holders of Registrable Securities.

17. Headings. The headings and captions in this Agreement are included for purposes of convenience only and shall not affect the construction or interpretation of any of its provisions.

18. Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

19. Transfer of Rights and Obligations. This Agreement and the rights and obligations of any Holder under this Agreement may be transferred by such Holder to an Affiliate of such Holder (any such permitted transferee being referred to herein as a "Transferee"). As a condition precedent to any such transfer, any such Transferee must provide written notice of such assignment to the Company, which notice shall at a minimum include the name and address of such Transferee, the Shares with respect to which such transfer is to occur and the number, if any, of other Securities held by such Transferee, and must agree in writing to be bound by the terms of this Agreement.

20. Third Party Beneficiaries. The Company hereby acknowledges that Transferees complying with the provisions of Section 19 are express third party beneficiaries of the obligations of the Company hereunder.

21. Gender. As used in this Agreement, the neuter gender shall include the masculine and feminine genders and the masculine gender shall include the feminine and neuter genders, the singular shall include the plural and the word "person" shall include a corporation, firm, company, trust and other form of association or entity.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered on the date first above written.
