## ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table presents information with respect to the beneficial ownership of our Common Stock as of April 26, 2019, by:

- each person, or group of affiliated persons, known to us to beneficially own more than 5% of the outstanding Common Stock;
- each of our directors and NEOs; and
- all of our directors and executive officers as a group.

The amounts and percentages of beneficially-owned Common Stock are reported based upon SEC rules governing the determination of beneficial ownership of securities. The SEC rules:

- deem a person a “beneficial owner” of a security if that person has or shares voting power, which includes the power to vote or direct the voting of a security, or if that person has or shares investment power, which includes the power to dispose of or to direct the disposition of a security;
- deem a person a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days, and securities that can be so acquired are deemed to be outstanding for purposes of computing such person’s ownership percentage, but not for purposes of computing any other person’s ownership percentage; and
- may deem more than one person a beneficial owner of the same securities, and may deem a person a beneficial owner of securities as to which such person has no economic interest.

Except as otherwise indicated in these footnotes, each of the beneficial owners listed has, to our knowledge, sole voting and investment power with respect to the indicated shares of Common Stock. The information relating to our 5% beneficial owners is based on information we received from such holders. The percentage of beneficial ownership is based on 43,005,159 shares of Common Stock outstanding as of April 26, 2019.

## ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

### Audit Committee Policies and Procedures

The Audit Committee must pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for us by our independent auditors, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which should nonetheless be approved by the Board prior to the completion of the audit. Each year, the Audit Committee approves the independent auditor’s retention to audit our financial statements, including the associated fee, before the filing of the previous year’s Annual Report on Form 10-K. At the beginning of the fiscal year, the Audit Committee will evaluate other known potential engagements of the independent auditor, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent auditor’s independence from management. At each such subsequent meeting, the auditor and management may present subsequent services for approval. Typically, these would be services, such as due diligence for an acquisition, that would not have been known at the beginning of the year.

Each new engagement of Cherry Bekaert LLP (“Cherry Bekaert”) has been approved in advance by the Board, and none of those engagements made use of the de minimus exception to the pre-approval contained in Section 10A(i)(1)(B) of the Exchange Act.

### Fees Billed for the 2018 and 2017 Fiscal Years

The following table presents the aggregate fees billed, by type of fee, in relation to services provided to us by Chery Bekaert (in thousands):
